

STOOL SIXTY

STOOL SIXTY is a highly versatile object. It can be used singularly or in various combinations and configurations to form infinite shapes and patterns. The smart geometric design by Babak Aryaie is derived from people's natural sitting position placing legs 60 degrees apart. This visually joyous piece can be used in both commercial and domestic spaces either laid out or stacked up.

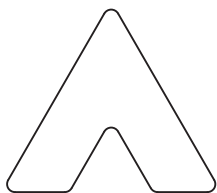

Design by BABAK ARYAIE

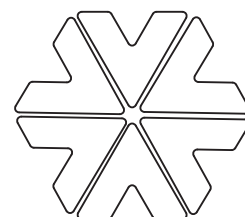

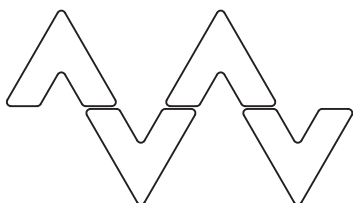

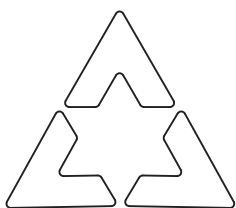

Dimension: Stool Sixty

- W620 x D545 x H450mm

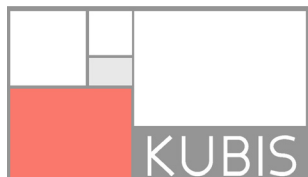

Configuration:
